Sir:

PRELIMINARY AMENDMENT

After the continuation application, as requested by the
attached letter, has received a filing date, please amend the
application as described below. Applicants request that these
amendments be entered prior to calculation of filing fee for this
divisional application.

IN THE SPECIFICATION:

Page 1, before the first line, please insert the following
paragraph: --This is a continuation of U.S. Application No.
09/068,368, filed July 23, 1998, now allowed, which is a
continuation of International Application No. PCT/EP96/05005,

00537-0540-0540

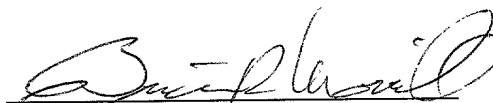

Application No. 08/575,902, filed December 20, 1995, now abandoned, which is a continuation-in-part of and claims benefit of U.S. provisional Application No. 60/007,337, filed November 9, 1995, now abandoned, each of which is incorporated herein by reference in its entirety.

No new matter is being added to the application by the foregoing amendments.

Applicant believes that the claims of the present application are in condition for allowance. Prompt and favorable action is earnestly solicited.

Respectfully submitted,
BIOMEASURE, INCORPORATED
